SALE LOCATION

Held at the Oklahoma City State Fair Grounds in Oklahoma City, Oklahoma

HEALTH

All the cattle selling will be accompanied by proper health certificates for shipment.

LIABILITY

Everyone attending the sale does so at their own risk. The Sale Management staff, Auctioneers or Sale Staff assume no liability to loss of property or to accidents that might occur.

TRUCKING

Henry Stockdale..... (913) 626-6080
 Randy Lathrop..... (847) 910-4673

TERMS AND CONDITIONS

All of the cattle sell under the suggested terms of the American Angus Association. Any announcements that take place during the sale take precedence over printed material. Once the sale is complete, it is the responsibility of the seller to make contact with the buyer to confirm the buyer's shipping arrangements. On all embryo purchases they sell with a 50% guarantee on even numbered embryos or one less than half if an odd number is offered – any other guarantee will be listed in the catalog or announced. All of the information pertaining to the embryos is listed and any changes will be available on an update sheet or announced – **IT IS THE RESPONSIBILITY OF THE SELLER TO DISCLOSE ALL INFORMATION PERTAINING TO THE EMBRYOS PRIOR TO SELLING.** All of the semen selling is believed to be of high quality – Shall an issue arise as to quality issues, it is up to the Seller to make adjustment to the buyer with full reimbursement. Any claims related to frozen genetics need to be communicated directly to the seller within 180 days of the sale date.

ANGUS FOUNDATION FEMALE SALE AT THE CATTLEMEN'S CONGRESS

RANCE LONG
918.510.3464
rlong@rancelong.com
www.rancelong.com

It is with great enthusiasm that all of us involved in the annual Angus Foundation Female Sale invite you to the 2021 event that will be held in conjunction with the Inaugural Cattlemen's Congress in Oklahoma City, Ok. The Angus Foundation Female Sale has been the longest running sale of its kind and has always been a historic event for breeders to showcase their genetics. While the venue may have changed, I can assure you that the quality has reached new heights.

Programs from coast to coast are represented with a wide range of genetics. This year we will be selling live cattle that will be present at the sale along with a select group of females that will not be at the sale but will sell by video. There will also be elite embryo and pregnancy packages selling during the live sale held in the Super Barn Sale Arena at 3PM on Friday afternoon, January 8, 2021.

The online portion of the sale will conclude Tuesday, January 12th @ 6 PM CST hosted by DVAuction.com Within this great online offering is a select group of live cattle will sell along with embryo packages and a multitude of semen packages with several rare sires represented.

For breeders in search of fresh and exciting genetics to add to your programs, I invite you to study this outstanding set of cattle closely. There will be several females selling that are donor caliber, both in terms of their pedigree, genomic power and their strong phenotype. I invite you each year the EPD traits reach new levels and this year's sale offering is no exception - We will sell a powerful set of young females that push the barriers for growth and \$ indexes.

As we all turn the page of the year 2020 and look forward to what 2021 has in store for us, I see a tremendous amount of enthusiasm in my travels and the future for those of us in agriculture is bright. As cattlemen and cattlemen, we realize the value and the need for what we produce now more than ever. While none of us knows with a high degree of certainty what the future holds, all indications are those of us in the cattle industry and most specific the Angus business are positioned well and ready to meet the demands with superior genetics. Now is the time to invest in quality and tie to programs such as those represented in the 2021 Angus Foundation Female Sale! These family owned programs are the backbone of our business and there to work with their valued customers year in and year out.

It is truly an honor to serve as the sale manager for the Angus Foundation Female Sale at the Cattlemen's Congress. This prestigious event will no doubt be a highlight of the Inaugural Cattlemen's Congress. I invite you to be on hand with us, Friday January 8, 2021 @ 3PM in the Super Barn Sale Arena to see firsthand just how deep the quality goes. If you have any questions about the genetics being offered in this year's Angus Foundation Female Sale, please do not hesitate to give me a call at 918-510-3464.

Sincerely,
Rance Long

Cocktails will be available.

LiveAuctions.TV
2.0

Will be broadcasting the LIVE portion of the sale beginning at 3:00 PM on 1/8/21.

- All of the proceeds are generously donated to the Angus Foundation.
- A special thank you to Kenny and Janyce Hinkle for the opportunity to sell a confirmed Heifer pregnancy to benefit the future of the Angus breed.
- This pregnancy blends the powerful HPCA genetics of the powerful donor HPCA Sunrise A276 with the \$475,000 one-half interest, GAR Hometown.
- This pregnancy is a full sibling in-blood to the \$28,000 high selling pregnancy of the Fall 2020 Hinkle's Prime Cut Angus Sale.
- Breed-leading genetics balancing superior phenotype with an impeccable EPD profile.

THANK YOU FOR YOUR
DONATION TO THE
ANGUS FOUNDATION

Baldrige Performance Angus

Baldrige Isabel G067

This direct daughter of Baldrige Isabel Y69 sells as Lot 1.

• Selling One-Half Interest.

- Truly one of the most exciting genetic opportunities to kick off the 2021 sale season is this exceptional direct daughter of one of the breeds all time high income producing donors, Baldrige Isabel Y69, sired by the heavily used LD Capitalist 316 – The only female from this mating!
- Her full brother, Baldrige Gravy Train, is already seeing heavy use in the Baldrige ET and AI programs and will be a sale feature in the 2021 Baldrige Performance Angus Bull Sale.
- Baldrige Isabel Y69 is no doubt one of the highest valued, most prominent and influential females in the breed today, with a total of 54 direct daughters in production who have produced 76 progeny resulting in a combined weaning ratio of 102. In addition, her impeccable individual production record shows WR 4@119 and YR 3@113 with %IMF 180@100 and REA 178@101.
- Maternal sisters to Baldrige Isabel G067 are currently working in many of the breed's most prominent programs throughout the country and include the \$640,000 valued Baldrige Isabel C235, the \$160,000 one-half interest Baldrige Isabel E257, the \$104,000 valued Baldrige Isabel E238, and her maternal brothers include many of the breed's heaviest used AI sires such as the \$580,000 record selling Baldrige Colonel C251, Baldrige Beast Mode, Baldrige Bronc, Baldrige Herdsman, and many more.
- Unlimited earning power in this rare daughter of Baldrige Isabel Y69.

• Due to calve 1/20/21 to GARDEN'S CACHE.

Baldrige Gravy Train

This full brother to Lot 1 is the top scanning son of Y69 to date, posting an IMF ratio of 122 along with an REA ratio of 113 and a yearling ratio of 115. He sells as a feature of the 2021 Baldrige Performance Angus Bull Sale.

- A genetic opportunity with tremendous future in this mating of the Grimmus Cattle Co. sire, SG Salvation, with one of the breed's most impressive and fault free daughters of TEX Playbook 5437 backed by the great Rita cow family.
- The dam of these embryos is a maternal sister to three of the top selling bulls of the 2019 Deer Valley Farm Annual Bull Sale that included Deer Valley Brigade 81247, who is now a member of the Select Sires line-up. In addition, full brothers to Deer Valley Rita 87150 sold as highlights of the Fall Mid Valley Bull Sale for the Schafer Ranch program.
- The maternal granddam of these embryos is a flush sister to Deer Valley Rita 36113, who is the dam of Deer Valley Growth Fund and Deer Valley Wall Street.
- Deer Valley Rita 87150 is a big ribbed, high capacity and beautifully fronted daughter of one of the breed's great female makers, TEX Playbook 5437, also exhibiting a beautiful udder and an overstriking design.

- Two outstanding embryo packages blending the rare and very valuable Hoover No Doubt or the very popular high performance and proven female-maker, S S Niagara Z29, in these two embryo packages that are produced from the Boyd Beef Cattle and Myers Angus Farm donor, Thomas Butterfly 4742.
- Thomas Butterfly 4742 has produced numerous sale highlights for each of these programs, including the \$48,000, Boyd Myers Butter Fly M326 who sold as a highlight of a past Boyd Beef sale to join the Spruce Mountain Ranch and EXAR programs. In addition, she has produced daughters selling to Meadow River Angus in Ohio and Marty Hultman & Rossman Farms Genetics in Minnesota, and through the recent Myers Angus Female Sale another daughter sold to Middle Creek Angus.
- A granddaughter of Thomas Butterfly 4742 is Spruce Mtn Butterfly 0073 who is a feature of the 2021 Bases Loaded Sale.
- Thomas Butter Fly 21042 continues to be influential in both of these programs, producing several sale highlights as well, including the \$21,500, Boyd Myers Butter Fly M255. She also has a powerful set of daughters being retained in both of these programs.
- Front-end genetics in each of these genetic packages.

Spruce Mtn Butterfly 0073

This feature of Bases Loaded is a granddaughter of Thomas Butterfly 4742.

Thomas Butter Fly 21042

This long time Boyd Beef Cattle and Myers donor is the granddam of Lots 3A and 3B.

BULLERMAN ANGUS

• An opportunity to acquire a daughter of the rare breed-leading marbling sire, Poss Maverick, produced from a high-performance dam who records WR 3@103 and YR 1@104. Plus, her dam is a maternal sister to the dam of Lot 4B and from the same family as Bullerman Jackson 1560 in the ABS Global stud. She posted an impressive weaning ratio of 114.

Poss Maverick
The sire of Lots 4A and 4C.

Bullerman Blackbird 0020 She is offered as Lot 4A.

- One of the most exciting daughters of Woodhill Blueprint born in the DVF program this past year is this direct daughter of Deer Valley Rita 3167.
- Cattlemen will appreciate the amount of rib and body capacity combined with the extra muscle dimension and shape she processes, all blended with a feminine beautiful design.
- Deer Valley Rita 3167 has been an influential donor in the DVF program where both her direct descendants as well as granddaughters have been highlights of both the DVF bull and female sale offerings. She now has six daughters currently in production combining for a weaning ratio of 101 on twelve head. Plus, records %IMF 4@101 and UREA 4@106.
- For cattlemen looking for the balanced approach of solid growth and performance with excellent maternal values and breed leading carcass traits, ultimately creating a \$C value among the breed's top 1%. This female will no doubt check all the boxes and will make a front-end donor in any program.

Woodhill Blueprint

This very popular Select Sires AI sire and featured Deer Valley Farm herd sire is also the sire of Lot 5.

Deer Valley Rita 3167

This granddaughter of the world record selling, GAR EXT 614 is the dam of Lot 5.

DEER VALLEY FARM

Deer Valley Barbara 01152

This excellent daughter of Deer Valley Growth Fund sells as Lot 6.

- This exciting flush sister to the \$39,000 select of Spruce Mountain Ranch through the 2020 DVF female offering, Deer Valley Barbara 96142 exhibits the same overall power and performance and fault-free phenotype.
- Her full brother is also a member of the DVF Congress pen bulls and will be a crowd favorite.
- Deer Valley Barbara 514 is a maternal sister to the proven time-tested curve bender, Plattemere Weigh Up K360, as she is a direct daughter of the Pathfinder female, Barbara of Plattemere 337. In addition, Barbara 514 is a full sister to the \$50,000 valued, Deer Valley Barbara 5663 and is a maternal sister to the \$140,000 valued Barbara 7887 and the \$110,000 valued Deer Valley Barbara 7509.
- This cattlemen's kind exemplifies the quality of the Growth Fund progeny.

- An opportunity to acquire top-shelf genetics like this female do not come along often. She combines the coveted Baldridge Isabel Y69 with the ORigen all-time semen sales leader, Hoover Dam, with the highly proven Basin Payweight 1682.
- Her dam, who is a direct daughter of one of the breed's most influential females, records BR 1@96, WR 1@107, YR 1@106 and %IMF 5@110. In addition, Baldridge Isabel A020 is a maternal sister to the Myers Angus Farm donor Baldridge Isabel E358, the \$640,000 valued Baldridge Isabel C235, the \$160,000 one-half interest Baldridge Isabel E257, and the \$104,000, Baldridge Isabel E239, along with being the maternal sister to many other high-income producing females in prominent programs throughout the breed. In addition, her maternal brothers include the \$580,000 Baldridge Colonel C251, Baldridge Beast Mode, Baldridge Bronc, and several more prominent AI sires.
- This stacked pedigree ensures this heifer will make her mark in any program and carry on the prominent Isabel cow family.

Baldridge Isabel Y69

The high income producing granddam of Lot 15.

Maternal sisters to her dam.

Baldridge Isabel E358

A donor for Myers Angus Farm.

Baldridge Isabel C235

Valued at \$640,000.

Baldridge Isabel E257

Sold one-half interest for \$160,000.

ELLINGSON ANGUS

16 PICK OF THE ELLINGSON ANGUS SPRING BORN HEIFERS

• This is an unprecedented opportunity - that has never before been offered- to make your personal selection of any 2020 Spring born replacement heifer from the Ellingson Angus herd. There will be over 130 females to pick from that represent the top 40% of the entire calf crop! This is an opportunity to select a game-changing breeding piece from the freshest and most cutting-edge genetics out of one of the top maternal cowherds in all of North America. The Ellingson Angus females are responsible for producing one of the highest averaging volume bull sales each year in America. Most of the cow families have been established at the ranch for many decades, with some calling Saint Anthony, N.D., home for 90-plus years. The herd has been bred and developed in a disciplined fashion focusing on propagating balanced-trait cattle that excel for real-world performance,

mothering ability, structural soundness, and udder quality. More than half of the females that are eligible for selection result from the extensive Ellingson Angus ET program. Also, eligible to be picked are full and maternal sisters to many leading AI sires produced at Ellingson Angus. The majority of the females are sired by Ellingson Rider Pride 7282, Ellingson Three Rivers 8062, Ellingson Homegrown 6035, Ellingson Authorize 7057, Basin Rainmaker 4404, Ellingson Chaps 4095, Ellingson Bandwagon 1053 or CRR Emulous 2617.

- For a complete listing of heifers to choose from along with their complete performance and genomic data, contact Stetson Ellingson at 701-595-1364. The buyer must make their selection by February 5, 2021.
- From one of the breed's superior maternal cow herds!

Quaker Hill Blackcap 4PT3

The \$45,000 valued dam of Lot 20.

- This exciting, confirmed Heifer calf pregnancy blends the \$200,000 one-half interest top selling bull of the 2017 EXAR Fall bull sale with the \$45,000 donor who is a member of the EXAR and Vintage Angus Ranch programs.
- Blackcap 4PT3 records UREA 3@102 and her dam, who is the \$150,000 one-half interest Blackcap 6E2, records BR 3@92, WR 3@109, YR 3@114 and UREA 64@101. Plus, she has thirty-eight daughters in production combining for WR 62@105.

EXAR Stallion 7986

The \$200,000 one-half interest sire of Lot 20.

GAFFNEY CATTLE

Gaffney Prideva 041

One-half interest in this outstanding Niagara daughter sells as Lot 21.

• SELLING ONE-HALF INTEREST WITH THE OPTION TO DOUBLE THE BID PRICE TO ACQUIRE FULL OWNERSHIP.

- One of the most exciting females ever produced in the Gaffney program is this daughter of the extremely popular and heavily used Select Sires AI sire S S Niagara Z29, produced from the \$50,000 one-half interest Pasture View Lady B501 who has served as a donor in the Gaffney, Sharpe, and Linz programs.
- Her maternal granddam is a full sibling to the now deceased RB Active Duty 010, as well as being a full sibling to the \$170,000, RB Lady Standard 305-890 and the \$55,000, RB Lady Standard 305-0790, and she is a maternal sister to the past breed leader for registrations, RB Tour of Duty 177.
- Share in these genetics with the Gaffney family.

- Two genetic packages offering tremendous earning potential with the pregnancy combining the popular Hoover No Doubt son, Sterling Pacific 904, with the \$14,000 one-half interest Wild Wind Black Cap 5K61, and the embryos by the very rare and valuable Woodhill Relevance F109 produced from 5K61.
- The donor dam of these two matings is one of the breed's stoutest, most powerful daughters of Connealy Black Granite, and she excels to the top of 10% of the breed for both WW and YW traits with a 4% ranking for \$C and a 3% ranking for \$B values. In addition, 5K61 is a full sister to the ABS Global sire Firestorm, as well as the \$184,00, Blackcap 4PT1, the \$48,000 Vintage Angus and EXAR donor Blackcap 4PT3, and the \$34,000, Blackcap 4PT4.
- Exciting genetics from the high-income producing Blackcap cow family.

Sterling Pacific 904
This sire of Lot 26.

Woodhill Relevance F109
The extremely rare and valuable sire of Lot 26A.

KATIE COLIN FARM

Thomas Patricia 9705

This proven dam of herd sires is the donor dam of Lot 28.

• PICK OF THE FLUSH AT WEANING – THREE HEIFER CALVES BORN 11/8/20.

- An exciting opportunity from the Katie Colin program to select from the pick of the heifer calves sired by the extremely popular SydGen Enhance and produced from one of the breed's most influential herd-sire making dams, Thomas Patricia 9705.
- Thomas Patricia 9705 has earned a stellar progeny record in the Knoll Crest program with WR 6@108, YR 6@108, %IMF 65@101 and UREA 65@101, and now has twelve daughters in production combining for WR 21@106.
- Sons of Thomas Patricia 9705 include the \$67,500 Katie Colin Farm and Quaker Hill Farm herd sire KCF Bennett Summation, the \$235,000 44 Farms herd sire KCF Bennett Citation, as well as the long time Select Sires AI sire KCF Bennett Fortress, and the new addition to the ELK Angus herd sire line up Deer Valley Blue Steel 9310.
- Tremendous genetic potential in this opportunity to select maternal siblings to high-selling individuals now working in prominent programs throughout the country.

- An incredible genetic package in this blending of the record-selling GAR Hometown, who is one of the most popular bulls in the Select Sires line up, with the same dam as the \$150,000, Wallstreet Cattle Co. selection of the 2019 Foundation Female sale, BAR Rita 7706-N68.
- The dam of this pregnancy has an outstanding ultrasound progeny record with %IMF 53@104 and UREA 53@102. Plus, she has nineteen daughters in production combining for WR @102. In addition, GAR 5050 New Design 1782, who is a member of the Brinkley Angus Ranch and Lazy H Ranch donor line up, is also the dam of the \$10,000 LHR-BAR Rita 1782-6375, the \$9,000 LHR-BAR Rita 1682-7222, and the \$8,000 LHR-BAR Rita 1782-6368.
- This descendant from the high-income producing Rita 6108 cow family will offer a superior set of end-product EPDs with bred in predictability.

LONG ANGUS RANCH

Long Lucy 909

This 2020 National Junior Angus Show Grand Champion PGS Female is a maternal sister to the embryos selling as Lot 32.

- Maternal siblings to the Grand Champion female of the inaugural PGS event held at the National Junior Angus Show, Long Lucy 909.
- For those producers in search of stylish, eye-appealing progeny with fault-free phenotype combined with superior EPD values, this mating will meet the demand.
- Deer Valley Optimum 9246 was selected as the lead-off bull of the Fall 2020 Deer Valley Farm bull sale when one-half interest sold for \$75,000 to Express Angus Ranches, Stevenson Angus, Tehama Angus Ranch, Katie Colin Farm, Shenk Angus, Lane View Farms, and Kenneth Carey, and he is now a member of the Select Sires line up. Optimum blends the exciting, ultra-popular Deer Valley Growth Fund with the legendary herd sire producing dam GAR Progress 830, providing a stellar EPD profile.
- The dam of these embryos posted an impressive weaning ratio of 136 in the Schafer Angus program in California and the maternal granddam of these embryos is now a Pathfinder Dam recording WR 3@114 in that same program. In addition, Schafer Hickory Lucy E320 was selected as division champion at the inaugural PGS event held in conjunction with the Eastern Regional Junior Show in Lima, OH, in 2018 and proved her predictable genetic power by producing Long Lucy 909.
- We are excited about this blending of genetics that will be closely related to the 2020 NJAS Grand Champion PGS Female, Long Lucy 909, as she was a direct daughter of Deer Valley Growth Fund produced from Schafer Hickory Lucy E320.

- Unlimited genetic merit in these two embryo packages that blend the very popular \$104,000 one-half interest ST Genetics sire GAR Greater Good, or the Grimmus herd sire GAR Set Apart.
- GAR Prophet 2984, who herself offers an impeccable EPD profile from calving ease to growth and superior end-product values, has earned an ultrasound progeny record of %IMF 7@102 and UREA 7@100 and now has three daughters in production combining for WR 3@110. In addition, GAR Prophet 2984 is also the dam of the \$70,000 one-half interest ABS Global and Jetset Angus Ranch sire, GAR Inertia, and ultimately descends from the \$300,000 long time Deer Valley Farm donor, GAR Objective 2345.

LORSON ANGUS FARM

GAR Progress 830

One of the breeds most influential and proven donors who is also the maternal granddam of Lots 34A and 34B.

Deer Valley Rita 5503

A full sister to the dam of Lots 34A and 34B.

Deer Valley Rita 62931

A \$150,000 maternal sister to the dam of Lots 34A and 34B.

Deer Valley Rita 81216

The \$120,000 one-half interest maternal sister to the dam of Lots 34A and 34B.

Deer Valley Progress 9755

This \$20,000 selection of Double Barrel Angus in the 2020 DVF female sale is a maternal sister to the dam of Lots 34A and 34B.

Deer Valley Optimum 9246

The \$75,000 lead off bull of the Fall 2020 DVF bull sale who is a maternal brother to the dam of Lots 34A and 34B.

- An opportunity to select from two separate matings produced from the Lorson Angus Farms donor, Deer Valley Rita 5502, and sired by the extremely popular AI sires, GAR Greater Good or Connealy Clarity.
- Deer Valley Rita 5502 is a direct daughter of the \$425,000 past DVF donor, GAR Progress 830, a female who now serves as a donor in the EXAR and Spruce Mountain programs. Maternal sisters to Deer Valley Rita 5502, as well as full sisters, have been highlights of previous DVF female and bull offerings, including many of their record-selling females. Plus, she is also a maternal sister to the very exciting and popular new Select Sires AI sire, Deer Valley Optimum 9246.
- Deer Valley Rita 5503 is a full sister to Deer Valley Rita 5502 and served as a long-time donor in the DVF program – front end genetics that excel in the preliminary EPD profiles with elite rankings for \$ indexes.

- **RETAINING A FUTURE FLUSH OF SIX TRANSFERABLE EMBRYOS.**
- A unique opportunity to select a direct daughter of the extremely rare and very valuable Hoover No Doubt, who posted an exceptionally low birth ratio of 96 with an impressive weaning ratio of 117 in the Schroder program.
- She is a maternal sister to the \$50,000 highlight of the Krebs dispersal, KR Lady May 4382, and she is also a maternal sister to another highlight of the Krebs dispersal, KR Lady May 6584.
- This long bodied, well designed, eye-appealing female who exhibits outstanding individual performance, has an impeccable EPD profile offering unlimited genetic potential, and is backed by proven genetics – she is the complete package tying everything together on paper with her genetic merit and EPD profile, plus has a fault free design.

KR Lady May 4382

The \$50,000, second high selling female of the Krebs Angus dispersal and maternal sister to Lot 37.

KR Lady May 6584

A maternal sister to Lot 37.

SPRUCE MOUNTAIN RANCH

- An opportunity to acquire a set of embryos sired by the very popular Grimmus herd sire, SG Salvation, produced from the \$90,000 valued Deer Valley Rita 62861 who served as a donor in both the Spruce Mountain and Deer Valley programs.
- The maternal granddam of these embryos is one of the most powerful daughters of Rita 6108 and has an ultrasound progeny record of %IMF 39@107 and UREA 39@102.

Bobo Rita 1559

The powerful maternal granddam of Lot 39.

- A great opportunity to select a genetic package blending the very popular Tehama Tahoe B767 with the same dam as the extremely popular S S Niagara Z29 – the Tahoe and Niagara combination has worked well in many programs throughout the breed, making this a true genetic masterpiece for maternal superiority that will not sacrifice growth and performance or carcass values.
- This female posted an impressive individual UREA ratio of 117 in the Stewart Select program, and is a maternal sister to Jet S S A99 who sold as an \$11,000 feature of the inaugural Diamond Selection sale to join the KW Cattle Co. program.
- The dam of this impressive two-year old has established herself as one of the very best ever produced in the Stewart Select program earning a progeny record of BR 7@95 with WR 6@100 and YR 5@103. Plus, she has seven daughters currently in production combining for WR 11@102, and her seventeen progeny with ultrasound data have resulted in a ratio of 102.
- **Sells with a Heifer calf at side (Lot 42A) born 11/30/20 sired by WOODHILL BLUEPRINT.**

S S Niagara Z29

This extremely popular Select Sires AI sire is a maternal brother to Lot 42.

Jet S S A99

A maternal sister to Lot 42.

Tehama Tahoe B767
The sire of Jet S S G8 and one of the heaviest used bulls in the breed today, featured in the Select Sires line-up.

- Two flush sisters offering a tremendous amount of style and eye appeal with tremendous EPD profiles.
- They are sired by the popular and proven Black Onyx produced from the \$57,500 direct daughter of the Pathfinder Dam, SAV May 2397. Plus, their dam records %IMF 9@104 in her ultrasound progeny record.
- Their dam is a full sister to the Genex sire, Linz Accuracy 2397-6006, and a direct daughter of SAV May 2397 the Pathfinder female with over two-million dollars in progeny sales in the SAV program.
- An exciting pair of flush sisters to pick from blending the breed's great cow families in their genetic tabulation.

STONE CREEK ANGUS

- Stone Creek Sandy 2021 is sired by Silveiras Insight 6305 who was the Reserve Grand champion Bull at the 2018 National Western Angus Bull Sale show. 6305 is also backed by one of the most powerful show families in the Angus breed. He is the son of the many time ROV Champion, Silveiras Saras Dream 2335.
- She has striking eye appeal and is square hipped and sound on her feet with an attractive set to her back legs. She has plenty of rib shape along with a deep flank that will surely catch your eye. Not only will she be competitive in the show ring, but she will be an influential breeding piece for your program as well.

Stone Creek Sandy 2021
She sells as Lot 44.

Silveiras Insight 6305
The sire of Lot 44.

A daughter of this \$80,000 one-half interest sire sells as Lot 45.

- A fancy April show heifer and brood cow prospect sired by the \$80,000 one-half interest EXAR Monumental 6056B.
- Her dam is a direct daughter of the high REA and long-time Genex sire, PVF Insight 0129, recording WR 1@105 and backed by a long line of high-maternal Kem females from the Lawson program.

TAMME VALLEY FARM

- This package of embryos combines the extremely popular and heavily used Baldridge Alternative E125 with an outstanding full sister to the popular high-growth sire, Deer Valley Balance 6169.
- Deer Valley Rita 6105 is a smooth made, attractive-designed female, and her maternal granddam by the great Pathfinder Sire, Connealy Impression, is a moderately-framed, beautifully-fronted female who also serves as a donor in the Tamme Valley program.

Deer Valley Rita 3166

The dam of Deer Valley Balance 6169 and maternal granddam of Lot 46.

Deer Valley Balance 6169

The popular full brother to the dam of Lot 46.

- From the heart of the entire Spring born heifer calves at TD Angus is this daughter of the all-around performance sire, B/R MVP 5247, offering unsurpassed weaning and yearling figures and ranking among the breed's most extreme top 1% as well for carcass weight, \$F, \$B and \$C. In fact, out of all the daughters of B/R MVP 5247 in the breed, she currently ranks #1 among all of her siblings for WW and YW EPD's as well as for carcass weight, \$F, \$B and \$C values. In addition, she holds the 5th REA and \$W value with the 6th highest Heifer Pregnancy EPD!
- Her young dam is just beginning what appears to be a stellar career in the TD program and is sired by the extremely rare, curve-bending growth sire, Valor, backed by the influential donor, B/R Blackcap Empress 1053 – This cow family has had an impact throughout the entire breed and has been a cornerstone of the Rishel Angus and now TD Angus programs.
- Unimaginable growth and end-product traits providing tons of mating flexibility in this future donor!

B/R Blackcap Empress 1053

The highly productive maternal grandam of Lot 48.

B/R MVP 5247

The popular and proven high performance sire in the ST Genetics line up and featured TD herd sire who is also the sire of Lot 49.

VISION ANGUS

Vision Lady 950

This outstanding bred heifer sells as Lot 49.

Vision Lady 432

The dam of Lot 49.

- BW 84 lbs; ADJ WW 640 lbs; ADJ YW 1,056 lbs
- A truly unique and powerful breeding piece that blends stunning phenotype with impressive performance and breed leading EPDs!
- Top 20% WW, 15% YW, 20% HP, 25% Milk, 25% Claw, 20% CW, 25% RE, 10% \$F, 25% \$G, 15% \$B and 15% \$C.
- Her dam, Vision Lady 432, blends impeccable phenotype and class with massive performance – a testament to the quality breeding power of the Lady Family.
- Her maternal sister, Vision Lady 928, was a popular class winner at the 2020 American Royal, 2020 NJAS and the Division 3 Champion at the Inaugural PGS at the 2020 NJAS in Tulsa, OK for Cale Hinrichsen, KS.
- Grandam is a powerful and highly maternal foundation donor Top Line Lady 9114 – a performance powerhouse recording progeny ratios for WW 4@112, YW 4@110 and UREA 8@105.
- Her sire, Mill Brae Five Star 5045, was the high selling bull of the 2016 Mill Brae Angus Bull Sale due to his impressive phenotype, performance, stoutness, docility, maternal lineage, structural and foot integrity. Today he is the heaviest used sire at Vision Angus where his offspring are good looking cattle with exceptional growth, enhanced carcass value, added maternal function, improved docility and excellent newborn vigor. Five Star ranks in the Top 25% WW, 10% YW, 1% RADG, 3% SC, 30% HP, 10% MW, 15% MH, 10% DOC, 20% Claw, 15% CW, 20% Marb, 4% RE, 5% \$F, 10% \$G, 3% \$B and 5% \$C. Progeny ratios are 100 BW, 105 WW, 103 YW, 102 IMF, 100 UREA and 101 Fat.
- **Ultrasound, due February 9, 2021 to Mill Brae A Plus 9008.** A Plus was selected by Vision Angus as the high selling bull in the 2020 Kansas Bull Test Sale. His dam, Mill Brae RA Juanda 2024 was one of Mark Nikkel's all-time top two cows from the productive Mill Brae cow herd. This Connealy Confidence Plus son has the extra power and mass, a big solid foot and a gentle disposition. As a yearling he covered 45 head of

- An exciting Heifer calf pregnancy due in March sired by the \$475,000 record-selling GAR Hometown, and is backed by the high-income producing Quaker Hill Blackcap cow family.
- The dam of this pregnancy serves as a donor in the Wild Wind program and is a full sister to the popular QHF WWA Black Onyx 5Q11, and is a direct daughter of the \$25,000 Wilks Blackcap 0D82, who in turn is a full sister to the long time, breed-leading AI sire in the ABS Global stud, Quaker Hill Rampage 0A36.
- The genetic merit this pregnancy carries will bend the CED to Yearling Growth spread, as well as push the end-product values quite high.
- Sells in a registered recipient dam, registration # 19066990.

ONLINE FOUNDATION SEMEN AND EMBRYOS

A select set of females along with semen and embryos beginning with Lot 101 will sell online at DVAuction.com. The sale will open for bidding beginning Saturday, January 9, 2021 and will close Tuesday, January 12, 2021 at 6PM CST.

Please read the detailed information below on how the sale will be conducted and understand it will close in a horse race style.

Watch & Bid online for FREE! DVAuction Online Only Auctions. How they work:

This means that bidders will be able to preview the lots online with complete information, including their pedigree, EPDs, and possibly a video, for several days prior to the sale. During that time, bidders can leave a maximum bid, which the system will represent confidentially up to that amount. Bidders can also bid incrementally, as the bid advances prior to the close.

All lots will close at the same time. Bidding will be extended if a bid is placed on any lot near the closing time. Bidding will officially close when there are no bids placed within a 5 minute period of time.

For General Questions Please Contact Our Office: (402) 316-5460 or support@dvauction.com

*High Speed Internet Access Required

The sale manager reserves the right to settle any disputes that could potentially arise during the online portion of this sale.

SEMEN AND EMBRYO SHIPPING

All the semen selling along with the embryos selling in both the live portion of this event as well as the online portion will be the responsibility of the buyer to coordinate shipping arrangements with the seller. All shipping expenses will be the responsibility of the purchaser. The seller is required to supply all buyers with information required for calf registration with the American Angus Association on all of the embryos selling with the exception of AI Certificates. We do recommend that buyers contact the sellers of all semen and embryos shortly after the sale is complete and at that same time request any other information you require for calf registration.

N BAR X RANCH

- Double-digit calving ease in this female who is bred to excel in maternal values.
- Her dam bred in the Panther Creek program in Illinois is a direct daughter of the proven Pathfinder Sire, Connealy Black Granite, and has three progeny with an average birth ratio of 91.
- A top-end replacement female.

The dam of Lot 105.

- This high-growth daughter of the 44 Farms proven calving ease and high marbling and REA sire, 44 Bragging Right 3472, is produced from a dam sired by the \$60,000 VAR Heritage 5038.
- Her dam was bred in the XL Ranch program in Wyoming and traces to the \$62,500, Rita 5F56 of 1198 FD.

BOYD BEEF CATTLE COLE ELROD

Tehama Mary Blackbird C290

This dam of Tehama Bonanza E410 is also the dam of Lot 201.

Tehama Bonanza E410

This proven Select Sires AI sire is a maternal brother to Lot 201.

- The donor dam of this embryo package posted an individual weaning ratio of 105 along with %IMF-106 and her dam records %IMF 40@103. In addition, RB Blackcap 212 has produced two past #1 \$B dams in the breed, Jetset Glory 6041 and Jetset Glory 6042, with 6141 selling as the \$100,000 highlight of the 2018 Quaker Hill sale.
- This blending of Black Magic with this high-performance female should excel for end-product traits.

- Another outstanding embryo package sired by one of the breed's most massive and popular AI sires today, Musgrave 316 Exclusive; produced from a calving ease daughter of Baldridge Bronc, backed by the same Lady Jaye cow family that has produced many elite females, including herd sires such as Werner War Party 2417 and CRA Bextor.

Trowbridge Lady Jaye 597
A maternal sister to the dam of Lot 255.

- This package of embryos is sired by the \$750,000 record selling bull from the Vintage Angus Ranch program and produced from an extreme calving ease, high REA daughter of VAR Generation 2100, who is also a maternal sister to the long time Genex sire, Schiefelbein Effective 61.

Frosty Answer 3979
This long time Trowbridge Farms and Scheifelbein donor is the maternal granddam of Lots 256 and 257.
