2020 PRODUCTION SALE

ANGUS GENETICS

VOL. IV

SATURDAY · **OCTOBER 17, 2020** · 1 P.M. (CDT)

7H Sale Headquarters in Wheeler, TX

7H Angus

| MJM Angus

| Zybach Ranch

*Special Guest Consignor: Schaefer Angus*

**Top Notch**  
ANGUS GENETICS

*First and foremost, we would like to welcome you to the Top Notch Angus Genetics Vol. IV Sale that will be held in the Texas Panhandle on Saturday, October 17, 2020 at 1 p.m. (CDT). The Top Notch team has assembled 90 elite phenotype and genotype females plus 20 powerful, high-performing two-year-old bulls for your appraisal.*

*We as a group are very proud of this set of cattle as they fit our combined philosophy of producing high-end Angus genetics that excel in performance and have elite phenotype. As a group we strive each and every year to produce a better set than we did the year before. We feel we have accomplished that and are very excited to have everyone come in and evaluate our genetics.*

*Getting ready for the sale each and every year requires all hands on deck, and we are very fortunate to live in a community that is always willing to help out anytime of the year. Thank you, friends and neighbors, for all that you do for each and every one of our operations throughout the year.*

*We look forward each and every year to seeing everyone sale day and if time allows, as always, we will have a steak dinner sponsored by Wheeler General Store and HI-PRO Feeds Friday evening. If you have any questions, please contact any of the breeders, Parker Friedrich, or Dustin Layton. Safe travels and we look forward to seeing you on Saturday, October 17, for the Top Notch Angus Genetics Vol. IV Sale.*

On behalf of the Sales Management Team (Dustin Layton and myself), it is with great pleasure that we bring you the Top Notch Angus Genetics Vol IV Production Sale in the Panhandle of Texas. If you have never met these guys, it's a must! The Helton Family host the Sale and have been in the Angus business for over 20 years breeding salt of the earth cattle that perform and thrive in the harsh Texas Panhandle environment. You will not meet finer fellas than Jack and Chad and you will love the quality of the cow herd they have built. Also, they have added a great set of bulls to the sale from their program. Steve Zybach is one of a kind and has literally purchased cattle all over America building his fine herd that can excel at any angle. I'll tell you his wife Joy is one go-getter and is the one that knows the cows and cares for them daily, so don't let Steve tell you any different. Monty Markham is a great guy and has put together a set of Top Notch Genetics as you'll see with some of his lots will be sale day favorites. Curtis Schaefer is a true cattleman and a fine gentleman from Claredon and has brought extra nice bred cows and bred heifers to the sale offering.

Getting into the sale offering, you have had to notice Lot 1 is the dam of one of the hottest young sires in America today, SG Salvation. This fault free Payweight 1682 daughter does so many thing right: big growth, big scrotal, big marbling, excellent maternal and an elite \$C makes this lady one of the most unique donors to grace the sale ring this fall. The beautifully made Lot 2 cow is a proven donor that can flat get the job done. She's a big flusher, has a curve bending EPD profile and over +320 \$C. Lots 3, 4, 5 & 6 all offer unique attributes that make them high quality donors and Lot 7 just flat hits the dinger for a complete female! She does it all in an awesome phenotypic package as do 8 & 10. The yearling heifers are the deepest set yet, but boys 12 & 13 hit me hard. Their three P's (phenotype, power and performance) are second to none! The bred heifers are stellar with several +300 \$C females bred to top bulls. The Spring Pairs, Fall Pairs and Spring bred cows are the deepest set yet.

These four programs represent a history making set of breed influencing females available in one sale, in one place, at one time. Don't miss the chance to own one or several of these money makers and enjoy a little of the first-class Panhandle hospitality with a gathering on Friday night and at the sale on Saturday. Don't hesitate to call about any of the lots or other questions: Parker at (254) 413-2420 or Dustin at (405) 464-2455.

Sincerely,

Parker Friedrich

 ◆ This beautiful designed, highly maternal daughter of Payweight 1682 is none other than the dam of the \$72,000 Grimmus elite AI Sire, Salvation. Salvation may just be one of the heaviest used bulls this fall 2020 breeding season as his popularity is gaining steam because of his elite phenotype and genotype combination. His beautiful uddered, bold ribbed dam ranks in top 10% of current Angus dams for WW, YW, RADG, Claw, Angle, CW, Marb, \$M, \$W, \$F, \$G, \$B and top 1% for \$C. She IS one of only 9 Angus dams that meets her EPD profile for those traits. She has been flushed 2 times for a 12 transferable embryo average. Join in with Steve Zybach and explore the endless earning potential of the outstanding female.  
 ◆ **Sells open ready to flush.**

This absolutely stunning daughter of Monumental should catch the attention of some of the most astute cattlemen and women in the Angus business. Not only does she just flat excel from a phenotype aspect, but she is one of only 8 females in the breed with her combination of BW, WW, YW, CW, Marbling, RE, \$B & \$C. Can you say wow! She also traces back to the \$300,000 G A R Objective 2345 and is an own daughter of one of the great sires in the breed Monumental. This one is incredibly special and should not be overlooked!

**Owned by Zybach Ranch**  
 This extra fancy, massive ribbed female is double bred to one of the hottest cow families in the breed today. Her family members include, West Point, High Weigh at Select Sires and two of the top-selling females at the 2020 Springfield Angus Sale. She ranks in the top 1% of current non-parent Angus females for WW, YW, RADG, CW, \$F, \$B & \$C. What this female for extreme mating predictability.

**Owned by Zybach Ranch**  
 An own daughter of the top-selling female in the 2019 Top Notch Sale is this beautiful, powerful made daughter of Black Magic. This female exhibits a massive growth curve that ranks her in the top 1% WW, YW as well as the top 1% for both \$C and \$B EPDs yet still maintains the top 1% for Marbling EPDs. Don't overlook this one.

EXAR Blackcap 4349 - Dam of Lot 9A.

An early Guru daughter out of a high production donor female for Highroller & Wilks that has amassed over \$250,000 in progeny sales to date. This one is special when you study her big growth curve, great convenience scores, elite carcass traits and a fancy phenotype that is loaded with lower 2/3 and top muscle to go along with a big bold rib shape. I like this girl!

A stout made productive female that is a ground pounder. With added performance it is easy to give her a second look. With WW and YW that rank in the top 2% for the breed coupled with calving ease and moderate birth weights. Her calves come easy and grow at an astonishing rate. Her calf this year is an excellent reminder of that fact.

## **ANGUS.** ONLY ANGUS.

There's only one DNA profile created specifically for Angus cattle.

Angus GS™ is the new standard in genetic testing for Angus cattle. Created by Angus Genetics, the profile is purely Angus DNA, so it will have better predictability and deliver more power and accuracy than any previous generation genomic enhanced EPD, and at a much greater value. Visit [angus.org/agi](http://angus.org/agi) for the test that only Angus Genetics could create.

**FOR ANGUS. BY ANGUS.**

**ANGUSGS**  
Powered by Neogen GeneSeek

# YOU'VE DONE THE WORK.

---

Get paid for it.

You've invested in good genetics.  
You've kept all the records.

**AngusLink<sup>SM</sup>** combines USDA Process Verified Programs with a Genetic Merit Scorecard that gives buyers confidence in your calves.

From age and source verification to cattle care and handling, you choose which programs make the most sense for you.

**Group Age & Source:** Verifies the group age and source of the cattle

**Angus-Sired Genetics:** Verifies calves are sired by 100% registered Angus bulls

**Non-Hormone Treated Cattle:** Verifies cattle have never received hormones

**NeverEver<sup>3</sup>:** No antibiotics, no hormones, no animal by-products ever

**Cattle Care & Handling:** Documents proper management, demonstrates quality commitment

**Calf Management:** Documents preventative health program

**Genetic Merit Scorecard<sup>SM</sup>:** Measures the genetic merit of calves for feedlot performance and carcass merit.

*\*Optional, not part of the PVP claims*

Easy and affordable, our customer service representatives walk you through the process.
