WHAT *to expect*

TIMELESS, CLASSIC, YOU BUT BETTER LOOKS

We have a very different approach to wedding day makeup. We aren't your "cookie-cutter" artists where everyone looks the same. There is an entire process that celebrities use to look their best and it's for good for a reason. Why is your wedding day any different? This is your red carpet moment.

Here at 614 Beauty, we make sure you get the full red carpet treatment. We partner and collaborate with you to design a look you love, completely customized to YOUR taste.

Our style is more celebrity red carpet than a social media trend. While we can do any look you like, we specialize in "you but better" looks that are timeless and last a lifetime.

I cannot recommend 614 Beauty enough!! They made all of us look and feel so glamorous, were so kind and fun during what could have been a high stress wedding morning, and were incredibly professional to boot. Getting a bit of touch up lipstick for all is such a nice touch and not something most make up services do in my experience. Both my mother and the mother of the groom decided the week/day of the wedding that they were going to get their hair done and Sydney took it in stride even though she did not need to do additional hair at the last minute like that. 614 is amazing, book them now!!

614 Beauty was amazing to work with for hair and makeup for our wedding day. I loved that they offered both hair and makeup services. This made for convenience and a smooth morning on the big day! We worked with Laura and Amber- both are very talented and easy to work with! We got many compliments on how great we looked and our hair and makeup lasted all day! I would absolutely recommend 614 beauty for future brides!

Del was AMAZING to work with. She is very talented and so kind. I truly felt lucky to have her as part of my big day. I honestly wasn't sure what to expect from a pro makeup artist but Del blew me away. From booking the trial, to the big day it was an all around great experience. She is priced fair and easy to work with from a payment/scheduling stand point. 10/10 would recommend her for a wedding or any makeup service.
