# CHELO'S

HOMETOWN  
BAR & GRILLE

*Where tradition still matters.*

## *Our History*

The Chelo's Hometown Bar & Grille of today is a Rhode Island staple that can be found across the state at 8 different locations – Smithfield, Woonsocket, Providence, Warwick, Cranston, Rumford, East Providence, and our Waterfront location on Greenwich Bay. However, to really understand how Rhode Island's largest family-owned restaurant chain came to be, we've gotta start at the beginning – all the way back in 1955 on Cumberland's bustling Mendon Road.

The original four Chelo brothers had a vision of fresh food and fantastic service at a great value. It was no easy task, but it was something they succeeded in creating. The motto amongst them was "If you are not proud of it, do not serve it" – those words can be found in each and every one of our kitchens to this very day!

Now in our third generation and quickly approaching our 70th year serving the Rhode Island community, our core values have not changed in the slightest. Our food is still made fresh 7 days a week in our commissary at our Warwick location - same ingredients, same recipes, and same great Chelo's food Rhode Islanders have to come to know and love since our grandfathers first opened our doors in 1955!

In addition to cooking up some of the best food the Ocean State has to offer, we aim to be an integral part of the Rhode Island community in any way possible. We use local, fresh ingredients in all of our recipes, and we'd be nothing without the greatest staff you'll find in Rhode Island – many of whom have parents and grandparents who worked at Chelo's before them! Our community involvement doesn't stop there, though - we've helped raise thousands of dollars for local charities and organizations through our Fundraiser and Dessert of the Month Programs. Ask your server how you can get involved today!

In a world where corporate chain restaurants are becoming the norm, it's also become what we strive not to be. We aim to excel in what our guests care about most – great food and great service at a great value. It's been our goal since 1955, and we'll never stop working towards that. Stop into any of our 8 locations today and see why we've been Rhode Island's favorite restaurant for nearly 70 years!
