Part 506: Plating continuity

The European Standard EN 3475-506:2007 has the status of a British Standard

ICS 49.060

National foreword

This British Standard is the UK implementation of EN 3475-506:2007. It supersedes BS EN 3475-506:2002 which is withdrawn.

The UK participation in its preparation was entrusted by Technical Committee ACE/6, Aerospace avionic electrical and fibre optic technology, to Panel ACE/6/-/2, Aerospace — Cables.

A list of organizations represented on this committee can be obtained on request to its secretary.

This publication does not purport to include all the necessary provisions of a contract. Users are responsible for its correct application.

Compliance with a British Standard cannot confer immunity from legal obligations.

This British Standard was published under the authority of the Standards Policy and Strategy Committee on 31 October 2007
