

Pasta Nuova

Product Range 2021

We are Pasta Nuova GmbH and produce freshly made, organic Italian pasta in Baden-Württemberg, Germany. For 30 years we have been living and working for our passion and got an immense experience in producing high-quality organic pasta. We started as a small family business and have grown to currently 40 employees at all. Our portfolio ranges from various filled and unfilled pasta like Tortelloni, Large Ravioli, Ravioli, German Schupfnudeln, German Spätzle and different Gnocchi varieties.

In Germany you can find us in organic supermarkets with the label "Pasta Nuova". Moreover we export in further markets like England, Spain, Portugal or Australia.

What are our characteristics?

- experience in over 30 years pasta development and producing
- regional production in Germany
- an incomparable product portfolio!
- a lean list of ingredients and a gentle manufacturing process. We only use traditional cold rolling to press and process the dough. So the great taste and most of the nutrients can be preserved. Moreover we just pasteurize our pasta (instead of sterilize) that leads to a shelf life of 60-120 days.

Why should you contact us?

- Our great variety of organic pasta includes 22 sorts of fresh pasta:
 - 22x vegetarian
 - 18x without egg
 - 14x vegan
 - 3x spelt
 - 2x wholegrain
 - 1x gluten-free

- We offer both great fresh quality and a very retail optimized shelf life

◦ AND: OUR PASTA TASTES SIMPLY DELICIOUS!

So BUON APPETITO with Pasta Nuova!
