Before the hunters return to their homes along the river, Big John will learn the macabre secret that has brought the trapper from the far reaches of the Rocky Mountains. He will discover a daughter he thought he'd lost forever, and relive the horror that took her away. friend for more than a quarter of a century. *Beneath a Hunter's Moon* is a novel of honor and treason, love and betrayal, but mostly it is a story about a proud and wonderful people—the métis of the Red River Valley. Hunter's Moon Lori Handeland, 2018-05-08 Beneath a Hunter's Moon blood turns from crimson to black . . . Once upon a time they called me Ms. Tyler, Leigh to my friends, a kindergarten teacher who dreamed of love, children and that cliché picket fence. Then my worst mistake came back and brutally took away everything I ever loved. Mistakes . . . they can haunt you. Until you make them stop. I became a hunter, a Jager-Sucher. Specialty: Werewolves. Just because my starry-eyed dreams might be dead, that doesn't mean everyone else's has to be. But there's a bigger, badder beast in town and it's doing my work for me. Distractions can be deadly and Damien Fitzgerald, a drifter with a questionable past is the ultimate distraction. When I gave up love, I gave up sex. Damien makes me wonder if maybe, just maybe, that was a mistake. However, people who hang around me too long wind up dead, and I can't live with any more souls on my conscience. In the end, the only way to save anyone, including myself, is to come face-to-face with my past. But am I strong enough to triumph over an evil no one else has ever vanquished before? exciting must read with fast paced action, romantic plot line fantasy with strong heroine, fantastic plot line paranormal romance, fast wit romance, unique supernatural plot line, fast paced werewolf plot, paranormal full of tension cannot put down
