WORKSHOP

A „Habilitationen-Workshop“ is scheduled for Wednesday afternoon. Habilitationen and Junior/Assistant Professors in the field of Pharmaceutical/Medicinal chemistry are invited to present their research as short lecture. A discussion within this group of participants concerning future „Habilitationen-Workshops“ and the formation of a „Habilitationen-Network“ will close the session.

INVITATION

The organizers cordially invite you to participate in the

**Annual Meeting on Frontiers in Medicinal Chemistry
March 16 – 19, 2014 in Tübingen**

▶ VENUE

University of Tübingen
Faculty of Science
Campus Morgenstelle, Lecture Hall N5
Auf der Morgenstelle
72076 Tübingen
Germany

▶ AIM OF THE CONFERENCE

The international symposium will focus on state-of-the-art technologies and novel approaches in the field of medicinal chemistry with session on Oncology-Personalized Therapy, Inflammation, Metabolic Diseases-Diabetes and Highlights in Technology & MedChem. The scientific program will include plenary lectures, short lectures, and poster presentations. Furthermore, oral communications of postdoctoral junior scientists will be considered. It is the goal of the organizers to make this meeting an event of scientific excellence, attractive to both industrial and academic scientists in Medicinal Chemistry and related fields of research.

INVITATION

▶ ORAL COMMUNICATIONS AND POSTERS

Please submit your scientific contribution exclusively via internet at

www.gdch.de/medchem2014

A sample abstract is to be found on this website. No revisions or corrections will be made by the scientific committee.

After a successful transmission, you will receive a reference code for each submitted abstract and a confirmation after the decision of the scientific committee. In case you should not have received this confirmation after two weeks, please contact GDCh by e-mail tgonline@gdch.de and indicate the reference code of your paper.

The scientific committee reserves the right to accept or reject papers, and to assign them to oral or poster contribution.

▶ DEADLINES

Submission of oral contributions	December 14, 2013
Submission of posters	January 16, 2014

▶ SCHOLARSHIPS

The GDCh Division of Medicinal Chemistry offers a limited number of scholarships to student Division members in education presenting a scientific contribution (main author of an oral contribution or poster). Please send your application (form on the internet at www.gdch.de/medchem) until **January 31, 2014** latest.

▶ AWARDS / POSTER AWARD

The program will contain a poster session. The best posters will be awarded and presented as a short presentation (10 min.).

▶ REGISTRATION

Registration will start with the second circular (approx. in January 2014).
