Items Included by the Senate and House

- |  |   |                            |
|--|---|----------------------------|
| <p>1. <b>MPSERS UAAL Stabilization Payments.</b> The Governor, House, and Senate included an increase for this item to reflect an increase in the State's share of costs above the statutory cap. The increase is largely due to updated payroll growth assumptions. This change would bring total MPSERS UAAL stabilization payments for community colleges to \$87.2 million.</p> <p>2. <b>MPSERS Normal Cost Offset.</b> The Governor, House, and Senate reduced this item to a total of \$11.7 million. The change reflects the amount necessary to make required payments at the current assumed rate of return for MPSERS of 6.8%.</p> <p>3. <b>North American Indian Tuition Waiver Reimbursement Adjustment.</b> The Governor, House, and Senate reduced ITW reimbursements to \$1.7 million to reflect the most recent waiver cost data provided by community colleges.</p> | <p>3,300,000</p> <p>(694,000)</p> <p>(93,100)</p> | <p>0</p> <p>0</p> <p>0</p> |

| <p>4. <b>Community College Operations.</b> The Governor and Senate included a one-time increase of 2.0% as operational support payments outside of base State operations payments. That increase would have been distributed using the current statutory funding formula for community colleges. The House included a 6.7% overall increase to community college operations that would have been distributed through a new funding formula. The Conference provided a 1% one-time increase through the existing performance funding formula.</p> | <p>3,236,500</p> | <p>0</p> |

5. **Pregnant and Parenting Student Services.** The Conference included 500,000 funding for pregnant and parenting student service centers that would be available to community colleges that either have or create these centers.

**Boilerplate Changes from FY 2020-21 Year-to-Date:**

Items Included by the Senate and House

- Schedule of Payments to Community Colleges.** The Governor removed language requiring the State Budget Director to notify the House and Senate Subcommittees before funds are withheld because of a failure to report certain information as required by statute, and changed the schedule for MPSERS payments to quarterly rather than monthly. The House and Senate did not concur with the removal of the funds withholding language, but did concur with moving MPSERS payments to a quarterly basis. (Sec. 206)
- MPSERS Payment Schedule.** The Governor, House, and Senate included additional language that would allocate MPSERS payments based on quarterly payroll reports. (Sec. 207a)
- Use and Finance Noncompliance Penalty.** The Governor removed a section that imposes a 1.0% reduction in State funding to a community college for each violation of certain requirements of the Management and Budget Act. The House and Senate retained this section. (Sec. 208)
- Campus Safety Information.** The Governor removed a requirement that colleges certify compliance with the requirements of this section, as well as the ability for the State Budget Director to withhold payments to colleges that fail to do so. The House and Senate retained current-year language. (Sec. 209a)
- Communication with the Legislature.** The Governor removed a section prohibiting a community college from taking disciplinary action against an employee who communicates with members of the Legislature or their staff. The House and Senate retained this section. (Sec. 228)

Conference Agreement on Items of Difference

- FY 2020-21 Supplemental Payment.** The Conference included \$12.7 million for FY 2020-21 community college operations. The payment would be a one-time supplement distributed through the existing performance funding formula. Payment details are available on [Table 6](#). (Sec. 201e)
- Transparency Reporting - Noncompliance Penalty.** The Governor removed language that allows the State Budget Director to withhold monthly payments to community colleges if the colleges do not comply with statutory transparency reporting requirements. The Governor also removed various reporting requirements from this section. The Senate retained current-year language. The House removed a requirement to post local strategic value best practices on each college website and required that the Michigan Community College Association create an aggregate report for all 28 colleges. The Conference retained current-year language, but with the added requirement that the State Budget Director create the aggregate report included in the House language. (Sec. 209)
- Block Transfer Report.** The House retained current-year language. The Senate and Conference made several changes to the reporting requirements of this section. (Sec. 210b)
- Bachelor of Science in Nursing Degree Report.** The Senate and Conference included a new reporting section requiring a summary of efforts made by community colleges to establish articulation agreements with public and private universities for a Bachelor of Science in Nursing program. (Sec. 210g)
- Mandatory COVID-19 Vaccination Exemptions.** The House included a new prohibition on community colleges requiring COVID-19 vaccination as a condition for students to enroll or attend in-person classes. The Conference included similar language, but instead required a college to offer vaccination exemptions to students who meet certain criteria. (Sec. 210h)
- Cost Containment.** The Governor and Senate removed a section requiring community colleges to pursue various efficiencies in their operations. The House and Conference retained this section. (Sec. 212)

12. **Performance Audits.** The Governor removed a section allowing the Auditor General to conduct performance audits on community colleges. The House retained this section. The Senate and Conference retained this section and added statutory and constitutional references to the Auditor General's responsibilities. (Sec. 220)
13. **ITW Report.** The Senate and Conference added a new requirement that universities must submit their ITW data to the Department of Civil Rights by January 1 of each year. (Sec. 223)
14. **COVID-19 Report.** The Governor and Senate removed a section containing two reports that require colleges to report various information relative to their responses to COVID-19. The House retained this section, and added a reporting requirement for any Federal or State COVID-19-related funds that were received by each college. The Conference removed all of the existing language for the section, and retained only the new Federal COVID-19 funds reporting requirements that were included in the House budget. (Sec. 226b)
15. **Campus Free Speech Report.** The Governor removed a report on activities related to free speech issues on college campuses. The Senate modified this section to state the intent of the Legislature that community colleges establish advocacy policies on campus. The House retained current language. The Conference retained current language, subject to legislative intent, and added a new section stating the intent of the Legislature that each college establish a speech and advocacy policy. (Sec. 226d and 226g)
16. **Pregnant and Parenting Services.** The Senate and Conference included a new section allowing community colleges to establish a pregnant and parenting student services office. (Sec. 226f)
17. **Tuition Restraint.** The Governor and Senate included a new section that would make the receipt of performance funding contingent upon keeping increases in tuition and fee rates for the 2021-22 academic year less than 4.2%. The House and Conference did not include tuition restraint language. (Sec. 230[5])

**Changes from FY 2020-21 Year-to-Date:**

Items Included by the Senate and House

- |   |   |   |
|---|---|---|
| <p>1. <b>MPSERS UAAL Stabilization Payments.</b> The Governor, House and Senate included an increase for this item to reflect an increase in the State's share of costs above the statutory cap. The increase is largely due to updated payroll growth assumptions. This change would bring total MPSERS UAAL stabilization payments for universities to \$13.5 million.</p> <p>2. <b>MPSERS Normal Cost Offset.</b> The Governor, House and Senate increased this item to a total of \$4.7 million. The change reflects the amount necessary to make required payments at the current assumed rate of return for MPSERS of 6.8%.</p> <p>3. <b>North American ITW Reimbursement Adjustment.</b> The Governor, House and Senate increased ITW reimbursements to \$12.4 million to reflect the most recent waiver cost data provided by universities.</p> <p>4. <b>Tuition Incentive Program (TIP).</b> The Governor included two adjustments to TIP: The first would be a \$2.5 million TANF increase to account for a projected increase in demand for the program. The second was a \$5.8 million TANF reduction to reflect savings from a proposed boilerplate change that would limit TIP Phase I payments for universities to 2.5 times the average tuition rate of community colleges. In total, support for TIP under the Governor's Recommendation would decrease from \$68.8 million to \$65.5 million. The House and Senate included the \$2.5 million increase but did not include the \$5.8 million reduction or the related boilerplate change.</p> | <p>1,800,000</p> <p>3,540,000</p> <p>484,000</p> <p>2,500,000</p> | <p>0</p> <p>0</p> <p>484,000</p> <p>0</p> |

| 5. <b>Midwest Higher Education Compact.</b> The Governor, House, and Senate included an increase for dues paid by Michigan to support the Compact, bringing the total to \$116,800.   | 1,800       | 1,800       |
| 6. <b>Remove One-Time Passthrough Payment to Bay Mills Community College.</b> The Governor, House and Senate removed a \$1.0 million one-time passthrough payment to Bay Mills Community College. The passthrough was performed by Lake Superior State University, so the reduction is reflected in LSSU's operations line. | (1,000,000) | (1,000,000) |

| 7. <b>University Operations.</b> The Governor and Senate included a one-time increase of 2.0% as operational support payments outside of base State operations payments. The increase would have been distributed proportionately to each university's FY 2020-21 base operations amounts. This item also included a 2.0% increase for MSU AgBioResearch and MSU Extension. The House did not include an overall funding increase for university operations, but did include a new funding formula which would have redistributed existing operations funding among the universities. The Conference included a 1.0% one-time increase to university operations, distributed across-the-board. | 15,258,300 | 15,258,300 |
| 8. <b>King-Chavez-Parks (KCP) Program Changes.</b> The Senate reduced the amount in each university's budget for the KCP Visiting Professors Program from \$9,895 to \$4,895 and reduced the amount for the Select Student Support Services Program in total from \$1,956,100 to \$1,882,500. These funds totaling \$148,600 GF/GP were moved to a new KCP Pregnant and Parenting Student Support Services Program. The House and Conference did not make these changes.   | 0          | 0          |

12. **Transparency Reporting.** The Governor removed certain transparency reporting requirements as well as language that allows the State Budget Director to withhold monthly payments to universities if they fail to comply with statutory financial transparency requirements. The Senate did not concur with most of these changes, but did remove several metrics related to early college programs. The House retained all current-year reporting requirements, and created a new requirement that the Michigan Association of State Universities create an aggregated version of the university reports. The Conference largely concurred with the House language, but instead required the aggregated report to be created by the State Budget Director. (Sec. 245)
13. **Michigan Tuition Grants - Institutional Limitation.** The Governor removed language that specifies that the \$4.8 million institutional limit for Tuition Grants does not apply to other financial aid programs.
