

## Vyaire MX40 Adapter

# Small Design, Big Results

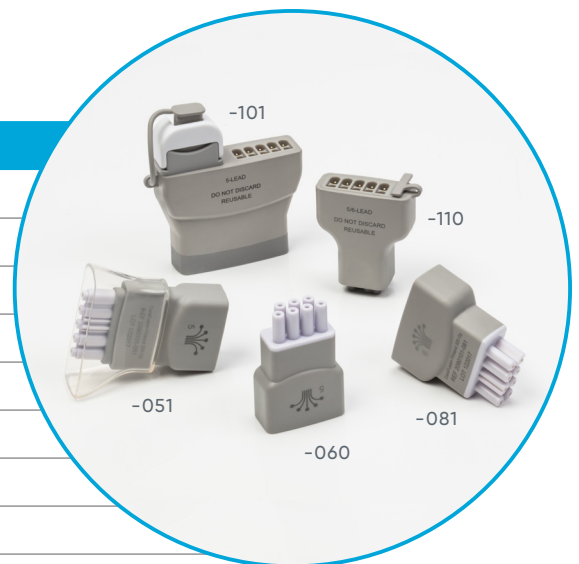

### The MX40 Adapter features:

- Connects to the Phillips IntelliVue MX40 telemetry device
- SpO<sub>2</sub> port features an effortlessly accessible opening with a securing mechanism preventing the SpO<sub>2</sub> device from disconnecting
  - Compatible with Masimo LNCS pulse oximeter sensors and Philips 9-pin pulse oximeter sensors
- Available for both 5 lead and 6 lead
- Tested for chemical resistance of cleaning and disinfection agents instructed in product IFU
- Designed for use with Vyaire's Multi-Link™ disposable leadwires

### Welcome to the family!
