Unladen Gross Vehicle Weight (GVW) is 2.5 Tons or over (>=5000 lbs)	\$ 2,472

IMPORTANT: Additional fees applicable for freight and passenger hauling:

Permittees using vehicles to transport freight, sand, gravel, oil, or fuel, and/or move construction vehicles over the roads must pay an additional **\$1.00 per ton/mile for the weight of the total load (vehicle weight plus load weight)**. This must be calculated and submitted to the Conservancy on a monthly basis. The Conservancy has a sample form you may request to assist in figuring you payment.

Permittees using vehicles to transport passengers for hire must have a separate approved Revocable Taxi or Tour Permit in place and pay the Conservancy 12% of the revenue received for each tour in addition to the annual fee listed above. This must be calculated and submitted to the Conservancy on a monthly basis per terms of the Permit.

Authorized Driver Fees

Additional Commercial Drivers	\$ 35
-------------------------------	-------

Insurance Requirements

A certificate of insurance must be on file with Permittee evidencing coverage for vehicle and operators of at least \$250,000/\$500,000 bodily injury (each person/accident) and \$100,000 property damage. The certificate must be in effect and not modifiable or cancelable without ten (10) days notice to Permittee. Permittees with revocable agreements must adhere to the insurance requirements specified in that agreement.
