Entry to Switzerland: who is responsible

- Entry to Switzerland is regulated by the [State Secretariat for Migration \(SEM\)](#) and the [Cantonal Migration Offices](#).
 - Check if a [visa is required](#)
 - EU/EFTA nationals do not need a visa to take up residence in Switzerland.
 - Students of Non-EU/EFTA countries (or *Third countries*) need a Visa D (for residence > 90 days). The visa application has to be submitted to the [Swiss Embassy](#) responsible for the applicant's place of residence. The visas are issued by the Cantonal Migration Offices.
→ Entering Switzerland as a tourist does not allow to take up residence! 
- A valid travel document is mandatory when entering Switzerland
 - EU/EFTA nationals: valid ID or passport
 - Non-EU/EFTA nationals: valid passport (check the validity requirements with the Embassy)
- Residence permit registration (after arrival) is subject to the Municipalities or Cities.

2. EU/EFTA

EU/EFTA nationals

- If you are a national of an EU or EFTA country, you do not need to obtain a visa before entering Switzerland.
- However, you are obliged to register and apply for a residence permit at the Resident's Registration Office ("Personenmeldeamt") in Zurich or City/Village Hall after arrival (within 14 days).
→ Please see our [website](#) for detailed information
- With a Swiss residence permit (change of Canton): register directly at the new place of residence.

Special case: cross-border commuters («Grenzgänger» or «Frontaliers»)

Students living in other countries near the Swiss border

- The Migration Office of the Canton of Zurich does NOT issue cross-border commuter permits for students.
- Different regulations may apply in other cantons.
- Please contact the [Migration Office](#) of the respective canton if you have any questions.
