

Entering TABE 11/12 Test Scores into IWDS

March 13, 2019

By Kristofer Theilen, DCEO

TABE 11/12 - Basic Information

- TABE stands for Test of Adult Basic Education.
- TABE tests are given to clients to measure math, reading, and language levels both as pre-assessment tests and post assessment tests.
- TABE 11/12 was approved for a seven year period by the US Department of Education in the publication of the *Federal Register* /Vol. 82, No. 172 on September 7, 2017.

TABE 11/12 - Locator Test

- When a client is going to take the TABE assessment test, they are first given a locator test (a pre-test).
- The locator determines which version of the TABE test a client should take. This is needed because not all clients are going to come into the WIOA program at the same academic preparedness, so the locator attempts to give an individual the assessment test tailored to their current academic status.
- The different TABE 11&12 (math, reading, and language) tests are broken down to the version of L = Literacy; E = Easy; M = Medium; D = Difficult; or A = Advanced.

TABE 11/12 - Scoring

- The scoring on TABE 11&12 assessments test are based on a scale score and GLE (Grade Level Equivalency).
 - Those scores are used to award an EFL (Education Functioning Level), which is broken down between levels of 1 – 6.
- 1 = Beginning ABE Literacy
 - 2 = Beginning Basic Education
 - 3 = Low Intermediate Basic Education
 - 4 = High Intermediate Basic Education
 - 5 = Low Adult Secondary Education
 - 6 = High Adult Secondary Education

TABE 11/12 – Test Version Scores

- Each version of the TABE 11/12 test has its own range of minimum and maximum GLE (Grade Level Equivalency), which then relates to the EFL (Education Functioning Level).
- Each type of test (Math, Reading, or Language) has its own minimum and maximum scale score within the same minimum and maximum EFL range.
- The following score tables were configured using the TABE 11&12 Grade Range Scale Score Guidance for Printed Forms and pages 8-18 of the TABE 11 & 12 A Guide to Scoring Tables & Requirements.

TABE 11/12 – Test Versions

- The “L” version of the math, reading or language assessment test has a highest possible GLE of 3.9.
- The “E” version of the math, reading or language assessment test has a highest possible GLE of 5.9.
- The “M” version of the math, reading or language assessment test has a highest possible GLE of 8.9.
- The “D” version of the math, reading or language assessment test has a highest possible GLE of 10.9.
- The “A” version of the math, reading or language assessment test has a highest possible GLE of 12.9.

TABE 11/12 – Test Version Scores Examples

- This is the scoring for the TABE 11-12, version L = Literacy for the Math, Reading and Language. When someone takes the L version, the highest possible GLE is 3.9 and the highest possible EFL is 2 - Beginning Basic Education.

Math test: TABE 11 & 12 Information Version L				
MIN_SCORE	MAX_SCORE	MIN_GLE	MAX_GLE	ED_FUNC_LVL (NRS Level by TABE 11-12 scoring booklet)
0.00	299.00	0.00	0.00	There is no scale score provided for below 300
300.00	374.00	0.00	0.90	1 - Beginning ABE Literacy
375.00	448.00	1.00	1.90	1- Beginning ABE Literacy
449.00	472.00	2.00	2.90	2- Beginning Basic Education
473.00	495.00+	3.00	3.90	2- Beginning Basic Education

- Someone taking a version L math test can score no higher than GLE of 3.9 and highest possible EFL is code 2 - Beginning Basic Education, and they can score no lower than GLE of 0.0 and lowest possible EFL is code 1 - Beginning ABE Literacy.

TABE 11/12 – Test Version Scores Examples

- Now, compare that to the L version for reading. Please observe that the minimum and maximum scale scores are slightly different, while the minimum and maximum GLE score ranges are the same.

485.00	510.00+	3.00	3.90	2 - Beginning Basic Education

- Someone taking a version L language test can score no higher than GLE of 3.9 and highest possible EFL is code 2 - Beginning Basic Education, and they can score no lower than GLE of 0.0 and lowest possible EFL is code 1 - Beginning ABE Literacy.

TABE 11/12 – Test Version GLE & EFL maximums

- version L = Literacy : the highest possible GLE is 3.9 and the highest possible EFL is 2 - Beginning Basic Education
- version E = Easy : the highest possible GLE is 5.9 and the highest possible EFL is 3 - Low Intermediate Basic Education
- version M = Medium : the highest possible GLE is 8.9 and the highest possible EFL for someone taking the test is 4 High Intermediate Basic Education
- version D = Difficult : the highest possible GLE is 10.9 and the highest possible EFL is 5 - Low Adult Secondary Education
- version A = Advanced for the Math, Reading and Language. When someone takes the A version, the highest possible GLE is 12.9 and the highest possible EFL is 6 - High Adult Secondary Education

- A copy of the full table is included as an attachment to the printed copy of this slideshow
