

Attribute Description	Attribute Requirement Definition
Target Gender (target_gender)	target_gender is required on all submissions
Age Range Description (age_range_description)	age_range_description is required on all submissions
Shoe Size System (footwear_size.size_system)	When marketplace_id = 4, 5, 35691 or 44551 (DE, FR, IT or ES) footwear_size.size_system = <i>EU Schuhgrößensystem</i>
Shoe Size Age Group (footwear_size.age_group)	footwear_size.age_group is required on all submissions
	When age_range_description = <i>Erwachsene</i> , only show footwear_size.age_group value <i>Erwachsene</i>
	When age_range_description = <i>Kind</i> , show footwear_size.age_group values <i>Baby, Kleinkind, Grundschulkind, Jugendliche, Erwachsene</i>
	When age_range_description = <i>Baby</i> , only show footwear_size.age_group values <i>Baby, Kleinkind, Grundschulkind</i>
Shoe Size Class (footwear_size.size_class)	When footwear_size.age_group = <i>Erwachsene</i> or <i>Jugendliche</i> , only show footwear_size.size_class values <i>Numerisch, Numerisch (von/bis), Alphanumerisch, Alphanumerisch (von/bis)</i>
	When footwear_size.age_group = <i>Baby, Kleinkind, Grundschulkind</i> , show footwear_size.size_class values <i>Numerisch, Numerisch (von/bis), Alphanumerisch, Alphanumerisch (von/bis), Alter, Alter (von/bis)</i>
Shoe Size Width (footwear_size.width)	footwear_size.width is required on all submissions
Shoe Size (footwear_size.size)	When footwear_size.size_class = <i>Alter</i> or <i>Alter (von/bis)</i> , only show age size values
	When footwear_size.age_group = <i>Baby</i> and footwear_size.size_class = <i>Alter</i> or <i>Alter (von/bis)</i> , only show months values
	When footwear_size.age_group = <i>Kleinkind</i> and footwear_size.size_class = <i>Alter</i> or <i>Alter (von/bis)</i> , show all age values (months and years)
	When footwear_size.age_group = <i>Grundschulkind</i> and footwear_size.size_class = <i>Alter</i> or <i>Alter (von/bis)</i> , only show years values
	When footwear_size.size_class = <i>Alphanumerisch, Alphanumerisch (von/bis)</i> , only show alpha size values
	When footwear_size.size_class = <i>Numerisch, Numerisch (von/bis)</i> , only show numeric size values
	When footwear_size.age_group = <i>Baby</i> and footwear_size.size_class = <i>Numerisch, Numerisch (von/bis)</i> , only show numeric size values from 14 to 26
	When footwear_size.age_group = <i>Kleinkind</i> and footwear_size.size_class = <i>Numerisch, Numerisch (von/bis)</i> , only show numeric size values from 14 to 34
	<p>When footwear_size.age_group = <i>Grundschulkind</i> and footwear_size.size_class = <i>Numerisch, Numerisch (von/bis)</i>, only show numeric size values from 21 to 34</p> <p>When footwear_size.age_group = <i>Jugendliche</i> and footwear_size.size_class = <i>Numerisch, Numerisch (von/bis)</i>, show all numeric size values from 30 to 43</p> <p>When footwear_size.age_group = <i>Erwachsene</i> and footwear_size.size_class = <i>Numerisch, Numerisch (von/bis)</i>, show all numeric size values from 32 to 60</p> <p>When footwear_size.size_class = <i>Numerisch (von/bis)</i>, only show numeric size values, excluding fractions 1/3, 2/3 and 1/9</p>

Attribute Description	Attribute Requirement Definition
Shoe Size To Range (If Range) (footwear_size.to_size)	When footwear_size.size_class = <i>Numerisch (von/bis)</i> , <i>Alphanumerisch (von/bis)</i> or <i>Alter (von/bis)</i> , the footwear_size.to_size attribute becomes required
	When footwear_size.size_class = <i>Alter (von/bis)</i> , only show age size values
	When footwear_size.age_group = <i>Baby</i> and footwear_size.size_class = <i>Alter (von/bis)</i> , only show months values
	When footwear_size.age_group = <i>Kleinkind</i> and footwear_size.size_class = <i>Alter (von/bis)</i> , show all age values (months and years)
	When footwear_size.age_group = <i>Grundschulkind</i> and footwear_size.size_class = <i>Alter (von/bis)</i> , only show years values
	When footwear_size.size_class = <i>Alphanumerisch (von/bis)</i> , only show alpha size values
	When footwear_size.size_class = <i>Numerisch (von/bis)</i> , only show numeric size values, excluding fractions 1/3, 2/3 and 1/9
	When footwear_size.age_group = <i>Baby</i> and footwear_size.size_class = <i>Numerisch (von/bis)</i> , only show numeric size values from 14 to 26
	When footwear_size.age_group = <i>Kleinkind</i> and footwear_size.size_class = <i>Numerisch (von/bis)</i> , only show numeric size values from 14 to 34
	When footwear_size.age_group = <i>Grundschulkind</i> and footwear_size.size_class = <i>Numerisch (von/bis)</i> , only show numeric size values from 21 to 34
	When footwear_size.age_group = <i>Jugendliche</i> and footwear_size.size_class = <i>Numerisch (von/bis)</i> , show all numeric size values from 30 to 43
	When footwear_size.age_group = <i>Erwachsene</i> and footwear_size.size_class = <i>Numerisch (von/bis)</i> , show all numeric size values from 32 to 60
When a shoe is sized as a range, there are specific values, which are not valid in the footwear_size.to_size field based on the value provided in the footwear_size.size field. For example, if footwear_size.size is equal to 38, then footwear_size.to_size must be greater than 38
