

About Panama City

La Ciudad de Panamá, the country's capital, is a city of easy cosmopolitan living, a delightful combination of the historic and modern, including a prosperous business district with many banks, hotels, shops, restaurants, clubs, and much more. The Atlantic and Pacific Oceans are easily accessible from Panama City.

Visitors may explore the ruins of the 16th century city called Panamá Viejo, the 17th century Spanish colonial sector Casco Viejo, and the modern city with its impressive skyline. The historic Casco Viejo, with its Spanish colonial buildings, is a major tourist attraction with numerous historic sites, restaurants, museums and nightlife.
