RE: Public Hearing for Chapter 0940-06-01 Controlled Substances rulemaking activity

On Thursday, June 27, 2019, the Tennessee Department of Mental Health and Substance Abuse Services ("the Department") held a public hearing re: proposed changes to Rules Chapter 0940-06-01 Controlled Substances. The Department did not receive any oral or written comments during this public hearing or during the time period designated for accepting comments re: Rules Chapter 0940-06-01 Controlled Substances.

Regulatory Flexibility Addendum

Pursuant to T.C.A. §§ 4-5-401 through 4-5-404, prior to initiating the rule making process, all agencies shall conduct a review of whether a proposed rule or rule affects small business.

These rules will not affect small businesses. Although, some pharmacies qualify as small businesses, the changes to the controlled substances schedules promulgated by these rules should not change the daily operations of those pharmacies.

Impact on Local Governments

Pursuant to T.C.A. §§ 4-5-220 and 4-5-228 "any rule proposed to be promulgated shall state in a simple declarative sentence, without additional comments on the merits of the policy of the rules or regulation, whether the rule or regulation may have a projected impact on local governments." (See Public Chapter Number 1070 (<http://publications.tnsosfiles.com/acts/106/pub/pc1070.pdf>) of the 2010 Session of the General Assembly)

TDMHSAS believes that these rules will not have a projected financial impact on local governments.
