

UN-HABITAT OFFICE IN SPAIN MADRID

ANNUAL
REPORT
2017

UN HABITAT
FOR A BETTER URBAN FUTURE

ROLE AND MISSION

UN-Habitat in Spain is composed of a Liason Office in Madrid and two Programme Offices in Barcelona: the GWOPA¹ Secretariat (Global Water Operator Partnerships Alliances) and the CRPP² Office (City Resilience Profiling Programme). The objective of the Office in Madrid is to act as a liaison with the Spanish government and the New Urban Agenda partners in Spain. This Office also adds value to UN-Habitat's work in knowledge fostering strategy in selected areas of collaboration.

The Madrid Office supports the monitoring of all initiatives supported by Spanish partners and the implementation of UN-Habitat's mandate through knowledge management, sharing of information, strategic partnerships, effective communication, resource allocation, technical activities, and promotion of policy dialogues on sustainable urban development.

2 www.crpp.org

Based on the foregoing, this Office:

- »Promotes and keeps institutional representation and liaison with the Spanish partners and other New Urban Agenda partners in Spain.
- »Fosters knowledge, advocacy and visibility of the New Urban Agenda and UN-Habitat priority areas. Strengthens existing strategic partnerships, promotes new collaboration agreements, and supports fundraising and resource mobilization efforts.
- »Supports the design, implementation and follow-up of initiatives and projects funded by Spanish partners.

STRATEGIC AREAS

Fully aligned with the UN-Habitat Strategic Plan 2014-2019 and its thematic areas, the UN-Habitat Office in Spain reinforces awareness and knowledge sharing on the relevance and coherence of UN-Habitat's mandate, along with its expertise and efficiency in project implementation and execution by:

1. Strengthening liaisons and institutional relations with the Spanish Government and other New Urban Agenda's partners in Spain;
2. Implementing and supporting UN-Habitat operational technical activities;
3. Doing an effective communication, advocacy and promotion of the New Urban Agenda in Spain;
4. Promoting strategic partnerships and resource mobilization.

2 IMPLEMENTATION OF AND SUPPORT TO OPERATIONAL TECHNICAL ACTIVITIES

PROJECT "PROMOTING SUSTAINABLE URBAN DEVELOPMENT: TOWARDS A NEW URBAN AGENDA"¹⁰

» EGM "Planning Compact Cities: Exploring the possibilities and limits of densification"¹¹. Seville, 13- 14th March.

With the support of the Andalusian Agency of International Cooperation for Development (AACID), on 13 and 14th March 2017, 22 experts in urban development from 18 countries from governments, international organizations, and academia gathered in Seville to discuss approaches to the management of urban transformation through densification.

Communiqué and final report of the EGM available.

» "World Forum on Urban Violence". Madrid, 19-21st April¹².

With the New Urban Agenda as one of the benchmark documents, UN-HABITAT was member of the Forum Organizing Committee, supported the participation of experts from Korea, Ivory Coast, France, and South Africa, as part of the Safer Cities Programme, participated as speaker in one of the plenary sessions, moderated a debate table about public space and organized the workshop "Urban Security: Towards urban laboratories for inclusion, social integration and coexistence in our cities".

» International Forum "New Realities, New Solutions: Implementing the New Urban Agenda". Madrid, 29 -30th June 2017¹³.

Jointly organized with the Madrid City Council, this

Forum aimed at offering new perspectives, contents

and proposals to establish the change model towards sustainable urban development, placing people at the center of development. It included discussions on "Challenges of gender equality in cities", "Crisis, risk and urban resilience", "Collaborative, inclusive and participative cities", "Public space, gentrification and peripheral centralities", "Urban planning for urban health"- among others. A field visit was also organized to the Madrid Southeast Developments with Jan Gehl, UN-Habitat and several representatives of the Urban Sustainable Development Government Area of Madrid City Council¹⁴.

Other technical activities

» Follow-up of Spanish Agency of International Cooperation and Development (AECID) contributions and other collaboration agreements in force.

» Support to "Transparent and Open Cities" organized by Uraia and FEMP (Spanish Federation of Cities and Regions). Madrid, 8-10th February.

Transparent and Open Cities, Madrid, 8-10th Feb.
