

Escalation

The capacity fee will be escalated according to the following parameter:

Austrian wage index „Arbeiter, Industrie insgesamt“, published by the „Statistik Austria“ in the „Statistischen Nachrichten“.

http://www.statistik.at/web_de/services/stat_uebersichten/einkommen_loehne/index.html

Austrian wholesale price index „Nichtsaisonwaren“, published by the „Statistik Austria“ in the „Statistischen Nachrichten“.

http://www.statistik.at/web_de/statistiken/wirtschaft/preise/grosshandelspreisindex/sondergliederungen/index.html

Austrian import price of natural gas in EuroCent/MJ, determined by the figures “Wert” (Value) and “Menge” (Amount), which can be found at the titles “Erdgas”, “Einfuhr”, statistical numbers.

http://www.statistik.at/web_de/statistiken/wirtschaft/aussenhandel/aussenhandelsindizes/index.html

Should one of the parameters no longer be published, an index with a similar content shall be used instead.

The capacity fee will be escalated at the beginning of every quarter.
