# Saint Petronille Catholic Parish

From the  
Pastor's Desk

September 20, 2022

Dear Parishioners of Saint Petronille,

Fr. Thomas Milota

### **Building in Faith for Future Generations**

We were able to roll out a 10-year vision for the parish at our information meeting earlier this month. Thank you to all those who attended. We had a good crowd. For those who were not able to attend there will be another information meeting on October 4<sup>th</sup> at 7:30 pm in the Parish Life Center. Please join us.

### **Prayer**

The most important element for successful campaign is lifting this up to the Lord asking him to bless our parish and our efforts to secure her future. Please join us daily in prayer for the success of our Building Faith Campaign

*Almighty and Merciful God,*

*We give thanks to you, the creator of all good things, for your love endures forever.  
We give thanks to you as we prepare to celebrate 100 years of faith and hope and love at  
Saint Petronille Parish.*

*We give thanks for our courageous founders who built in faith four generations ago and who inspire a new  
generation to build in faith and gratitude for the future.*

*We beg you, O Lord, grant success to the work of our hands. Transform our hands into your hands that a new  
generation may know your mercy, grace and peace, and carry you to a hungry world.*

*Please assist us in preserving the gift you gave to your people a century ago and build with us for  
generations to come.*

*Please, Lord, bless us. Bless our children. Bless our grandchildren and shower your eternal gifts on Saint  
Petronille Parish now and forever.*

*We ask all this through Christ our Lord.*

*Amen.*

# BUILDING IN FAITH for Future Generations CAPITAL CAMPAIGN

**D**uring the planning study for the *Building in Faith for Future Generations* Capital Campaign, our parishioners, school and religious education families asked good questions regarding the campaign, the proposed projects and the future of the parish. We hope these Questions and Answers will help keep you better informed about our projects, the campaign and the future of St. Petronille Parish – and we will share more in the weekly bulletins leading up to Kickoff Weekend in mid-October:

***Why is now the best time for a capital campaign?***

There are two main reasons we are launching a capital campaign now. First, we know from our master campus assessment that these critical maintenance and modernization projects must be completed soon so that the condition of our buildings doesn't deteriorate any further. Second, there was overwhelming support for this campaign from you, our parish, school and religious education families, when asked in the planning study this past winter.

***Doesn't the parish have savings that we can use for these projects, or can't we have special collections to raise the money?***

No, the parish does not have savings to pay for these projects, and no, special collections will not raise the funds needed to accomplish our goals. St. Petronille has not had a capital campaign in over 20 years, which means for two decades, repairs and maintenance have happened on case-by-case bases, most having reasonable costs.

An example of a project that couldn't be paid from savings: the north side retaining wall. The north side retaining wall cost over \$400,000 to fix. Because of the timeliness to repair, St. Petronille had to ask the Diocese for a loan to address the wall. The proposed repair and maintenance projects are similar to the wall, expensive. Collectively, the repairs and needed upgrades cost in the millions of dollars. To raise this amount, we need a capital campaign effort.

***I'm hearing about "phases" for this capital campaign. Please explain these "phases".***

The parish enlisted engineering and architectural firms to assess the campus buildings back in 2019. At that time, 19 years had passed since St. Petronille had really examined the state of its facilities. Fr. Milota and the parish leadership councils reviewed the assessments and drafted a master plan for the parish—church, school, religious education—for the next 10-15 years.

The "phases" you hear about are three proposed segments in which the projects in the master plan would be accomplished. The *Building in Faith for Future Generations* Capital Campaign is addressing the first segment, representing the most pressing, most urgent, critical maintenance needs of the parish. Phases 2 and 3 address future projects and plans, but St. Petronille cannot move ahead without completing the needs in Phase 1.

**HOW CAN I HELP NOW?**  
**PRAY.** Please include the campaign and our volunteers in your prayers as we work towards our goal.

## *Music Ministry Opportunities at St. Petronille*

In my many years of music ministry, I have experienced the joys of teamwork and community with all the choirs I have had the privilege of directing. Besides the joy of the music itself, the most important aspect of music ministry in a parish is to engage in the prayer of the liturgy. People choose to participate in choirs for various reasons: for many, it is a spiritual experience and a gift of their time and talent to the parish; for others, it is a social time and the sense of belonging to a small community; many participate for the love of the music, for singing and playing their instrument, or to improve their skills; and some continue because they have always done so and can't imagine their week without rehearsal and singing for Sunday Mass!

Regardless of your own reasons, I invite you to consider involvement in the music ministry of our parish. For all music groups, I strive to create an environment that is welcoming, prayerful, and a place where individuals with various levels of skill and ability can grow, learn, and improve. Please consider one of the following opportunities, and feel free to reach out to me if you sing or play an instrument. I will be very happy to speak with you and discuss any questions you might have.

**St. Petronille Choir:** The St. Petronille Choir leads the assembly with a variety of musical styles each weekend at the 9:30AM Sunday morning Mass. Rehearsals take place on Thursday evenings at 7:30PM until 9PM in the music room and are already underway. A detailed rehearsal schedule is available on the parish website. All singers from high school age through adulthood are welcome to join us!

**St. Petronille Children's Choir:** The Children's Choir is open to students in 3rd through 8th grades. Rehearsals for Religious Education students take place Wednesdays from 5:25PM—6:05PM between afternoon and evening R. E. sessions. St. Petronille School students rehearse Thursdays from 3:20PM — 4PM. Detailed schedule information as well as the registration form is available on the parish website.

**Cantor Ministry:** Cantors proclaim the Psalm at Mass and lead congregational singing. Strong vocal skills are necessary. We are in need of a few additional cantors and vocalists of all ages are encouraged to answer the call to this important ministry!

To prevent this, Our Lady asked for "the consecration of Russia to my Immaculate Heart and **the communion of reparation on the first five Saturdays.** If my requests are heeded, Russia will be converted, there will be peace. If not, she [Russia] will spread her errors throughout the world causing wars and persecutions..."

We have the exposition of the Blessed Sacrament in the Church every Friday from 3 -10pm, 24-hour Adoration on First Fridays beginning after the 8am Mass until 8am Mass on Saturday. The Blessed Sacrament, exposed in the monstrance, brings Jesus very close to us, and all are welcome to come and pray. To make a regular weekly or monthly commitment to prayer, call Parish office at 630 469-0404 x0 for more information.

**PRAYER CONNECTION** (urgent prayer ministry) Prayer requests which are deemed urgent should be emailed to Gert MacPhail at [gertalert3@aol.com](mailto:gertalert3@aol.com). We also invite parishioners to join the Prayer Connection as 'pray-ers'.
