

Life is Beautiful:
We Protect, We Pray, We Forgive.

"October is Respect Life Month at St. Petronille!"

The Catholic Church's Message of Mercy

In recognition of Respect Life month, a field of white crosses has been erected to represent a fraction of the *millions* of lives lost to abortion each year. Hopefully, this visual impact of the crosses will move us to prayerfully and graciously work at providing assistance to women in crisis pregnancies and educating those around us about the truth of abortion.

Two essential elements of living the message of mercy are forgiveness, not only of others, but of oneself as well, and a deep trust in God. All of us must continually trust in His unfathomable mercy, including those of us who have been involved in abortion. **Our parish community is not here to reject or condemn our brothers and sisters, but to welcome them back to the peace and mercy of Jesus Christ.** For Catholic men and women, the Sacrament of Reconciliation is at the heart of the healing process. Our priests are here for you any time you want to receive this healing sacrament.

Rachel's Vineyard is a post abortion healing retreat. For information, registration, and contacts, please go to <https://www.rachelsvineyard.org> for retreat schedules. This retreat offers a beautiful opportunity for healing to any woman or man who has struggled with the emotional or spiritual pain of an abortion. Also, the organization Support After Abortion offers resources that lead to hope and healing after an abortion <https://supportafterabortion.com>

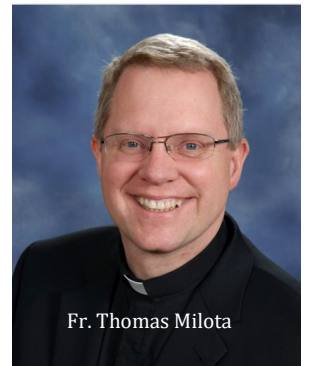

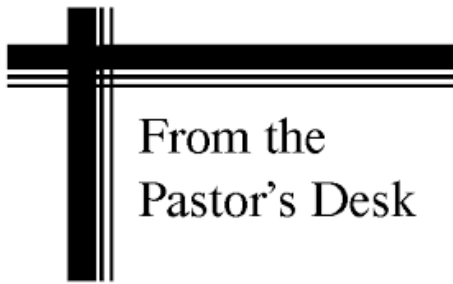

The Church also extends its love and mercy to those women in crises pregnancies and those who choose life for their child. St. Petronille's Mary's Closet is a resource available to the struggling new mother and her baby. The Joliet Diocese lists resources to women who are pregnant and scared and don't know where to turn. <https://www.dioceseofjoliet.org/life/sectioncontent.php?secid=12>

Places like Birthright, Waterleaf Women's Center and others offer programs to help a pregnant woman feel supported so that she can choose life for the child she is carrying and peace and well-being in her own life.

Saint Petronille Catholic Parish

October 4, 2022

Dear Parishioners of Saint Petronille,

Building in Faith for Future Generations

Our Campaign to restore our parish facilities will soon be underway. You can find updated information in each weekly letter and parish bulletin as well as you school enews. The phase 1 project will be seeking to raise \$7 million dollars and include the projects in this weeks update. We will also be mailing home a complete flyer and booklet with information the week of October 17th. We had a well-attended informational meeting on September 8th and another meeting centered on our school families this evening. We need to give our buildings some serious tender loving care and also improve the environment for our school and religious education students. Please watch for more information. You will also be able to watch the video of this evenings informational meeting on our Saint Petronille YouTube channel.

Blessing of the Critters

Saturday, October 15th at 1 pm, we will bless any and all critters you can transport to the location in front of the parish church.

Eucharistic Procession – Saturday October 8th

Beginning at Saint James in Glen Ellyn at the 8 am Mass, we will process with the Blessed Sacrament to Saint Petronille. We will have benediction at Saint Petronille followed by a reception with coffee and donuts. Please join us for the procession.

May Almighty God bless you and keep you.

Prayers.

FREQUENTLY ASKED QUESTIONS

What exactly is being addressed in Phase 1 for the church?

The campaign will be sending out communications detailing each project we hope to address in Phase 1, but the goal is to address the following modernization and maintenance projects at the parish:

- Tuckpointing and masonry work: critical repairs to limestone and brickwork around campus. This is a SAFETY issue, and this is a RESTORATION issue to preserve the buildings. Without this work, our building will have to be replaced, and at a cost much higher than tuckpointing
- Roof membrane repair and restoration.
- Repayment of a Diocesan loan for the retaining wall on the north side of campus.
- St. Petronille Shrine and portico restoration: limestone and masonry are crumbling, jeopardizing the integrity of the structures.
- Pew replacement, church flooring modernization: we will replace the pews and update the church flooring.

What exactly is being addressed in Phase 1 for the school and religious education projects?

The campaign will be sending out communications detailing each project we hope to address in Phase 1, but the goal is to address the following modernization and maintenance projects:

- Replacing all windows in the school building. For many reasons, all windows need to be replaced in the school building. Heat, cold, energy-efficiency and savings, air flow ... our windows are old and outdated, and for our school – staff, teachers, students – to function better, we need to address this issue now.
- Install a new heating, air conditioning and ventilation (HVAC) system throughout the school campus buildings. The current HVAC system is old. It is inefficient. It is not for a school of St. Petronille's caliber. It is time we addressed this problem.

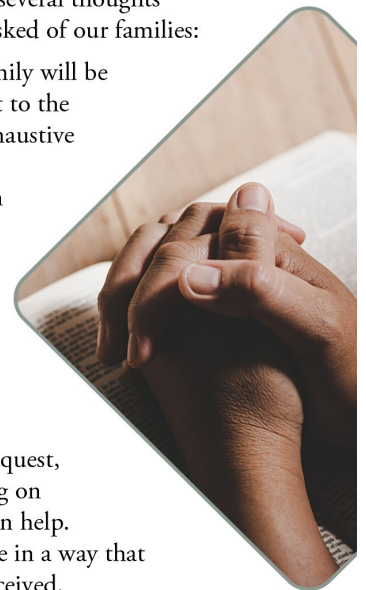

BUILDING IN FAITH for Future Generations CAPITAL CAMPAIGN

After months of intensive preparation, we are close to the official kickoff of St. Petronille's *Building in Faith for Future Generations* campaign. Next weekend, every family in the parish community will receive a packet of information, which includes a financial request and instructions on how you can invest in the future of St. Petronille.

In advance of the mailing, I want to express several thoughts regarding this campaign and what is being asked of our families:

- **Invitation not Expectation** | Every family will be asked to consider a specific commitment to the campaign. We have gone through an exhaustive process to determine requests that are appropriate for each family. That said, in some cases our request may be too high. In some cases, it may be too low. It is not an *expectation*. It is an *invitation* – and the starting point for your personal discernment. Ultimately, the parish is grateful for whatever gifts you can provide.
- **Reflect and Pray** | In advance of the request, I ask that you spend some time reflecting on St. Petronille, its future, and how you can help. Pray and ask the Lord for guidance. Give in a way that represents the blessings that you have received.
- **Shared Responsibility** | This campaign should not be shouldered by one family, or a few families. It is the responsibility of the entire parish community to ensure this effort is a success. That means generosity and sacrifice – and not just monetarily. We need gifts of time, talent and prayer too.

I hope you will join us next week for the official kickoff of our *Building in Faith for Future Generations* campaign. It's an exciting time for our parish and we want you to be a part of something that will mean so much to the future of St. Petronille Parish!

Prayers.

In Christ,
