In the past weeks, this is what I have **DISCOVERED** when I **CONSIDER** how the **ASSIGNMENTS, ACTIVITIES,** and **READING CAME TOGETHER** for my **EFFORTS** with _____.

(note specific assignments/activities)

Explain what you learned from **completing** your **literary tasks**. What important

facts  or **ideas**  did you learn in your work with **short stories, film, and scholarliness** that you did not know before? Any new discoveries?

What did you learn about **YOURSELF?** (Your talents, time management skills, neatness, research skills, etc.).

What **challenges** and **difficulties** did you face?

Any **???**, 

What **"next steps"** will you take to make your next literary experiences more **PROFITABLE?**
